APPENDIX A

Bond #: Supercedes & Replaces Fireman's Fund Bond #11141748159
45039961

Principal: XO Long Distance Services, Inc.

Surety: Greenwich Insurance Company

We, XO Long Distance Services, Inc., Principal and applicant for a Certificate of Authority to provide intrastate telecommunications services within the State of South Carolina, and Greenwich Insurance Company, as a duly authorized Surety in the State of South Carolina, bind ourselves unto the South Carolina Public Service Commission ("Commission"), as Obligee, in the penal sum of Five Thousand and no/100 Dollars (\$5,000.00). The payment of the penal sum shall bind the Principal and Surety, their heirs, administrators, executors, legal representatives, successors and assigns, jointly and severally unto the Obligee, under these obligations.

The total aggregate liability under this bond is limited to Five Thousand and no/100 Dollars (\$5,000.00).

The Conditions of this obligation are such that if the Principal is granted a Certificate of Authority to offer and/or provide intrastate telecommunications services, including prepaid calling card, or debit card services, within South Carolina by the Commission, and the Principal in all respects fully and faithfully perform all services as a telecommunications services provider under its Certificate of Authority, fully and faithfully complies with all rules, regulations and orders of the Commission that apply to any telecommunications service offered and/or provided by Principal now or in the future, including any and all rules, regulations and orders of the Commission applicable to the provision of prepaid calling card, debit card services currently in force or hereafter adopted by the Commission, and fully and faithfully provides services in accordance with its legal obligations and agreements, then this obligation shall be void; otherwise, it shall remain in effect.

This obligation shall be used to return customer deposits and advance payments of individuals who have paid for the intrastate telecommunications services of the Principal, including prepaid calling cards and debit cards sold by or on behalf of the Principal, if the Principal is unable to provide such services or to return the deposits and advance payments to its customers for any reasons, including but not limited to a prepaid calling card or debit card becoming unusable prior to the value remaining on a customer's card being depleted. The term "unusable" means that the issuer has ceased providing telephone service for the card or the Commission has determined that the inadequacy of service provided makes the card unusable.

This bond shall not be subject to cancellation by either the Principal or Surety unless written notice of intent to cancel is mailed by certified mail by the Surety and/or the Principal to the South Carolina Public Service Commission, at least sixty (60) days prior to the effective date of the cancellation. If the cancellation is at the request of the Surety, the Surety shall also provide the Principal with written notification at least sixty (60) days prior to the effective date of the cancellation. Any such cancellations will be effective prospectively only. The Surety and Principal will remain liable until prescription runs for any actions committed or omitted during the period in which the bond was in effect.
